IF YOU ARE READY SO ARE WE . . .

. . . With a specially designed Associate degree nursing program for L.P.N.'s who want to become R.N.'s.

YES	NO	
☐	☐	Are you a High School graduate or the equivalent.
☐	☐	Did you graduate from an approved school of Practical Nursing.
☐	☐	Do you possess a current practical nurse license that meets the requirements of the New York State Education Department and have 1 year of active experience.

If you've answered "yes" to these questions, we can offer the opportunity to receive 16 college credits toward an A.A.S. degree in Nursing based on your education and experience. In our 1 year program you can earn an Associate in Applied Science degree in Nursing and at the same time become eligible to take the N.Y. State Examination for licensure as an R.N.

Oh, One Last Question,

YES	NO	
☐	☐	Are you ready to move ahead in a new and progressive education program?
